

ATTACHMENT B – SPECIAL PROVISIONS

SPECIAL PROVISIONS FOR RFP 2425-04

DESIGN, MANUFACTURE, DELIVERY OF A PRE-ENGINEERED STEEL BUILDING (PESB)

SAN MIGUEL CONSOLIDATED FIRE PROTECTION DISTRICT
FIRE STATION 18 (CREST)

Each entity submitting a proposal should include the following information in addition to a complete RFP:

1. A brief history of the firm and the range of services offered.
2. The age of the firm, the total number of years of experience providing design build construction services, and the average number of employees over the past five (5) years.
3. A Management Plan that provides at least the following information:
 - The experience, licensing, and qualifications of members of the firm and key employees for these projects, including the individuals responsible for the design, sustainability, energy efficiency, and for field supervision during the construction.
 - Proposed project production schedule showing critical dates and other information in sufficient detail for the selection committee to determine the feasibility of the time frames indicated.
5. The names of at least three (3) clients who may be contacted, for whom facilities of the size and nature indicated above were designed and built in the past five (5) years.
6. List and describe any actions taken by any regulatory agency against VENDOR or its agents or employees with respect to any work performed.
7. Provide a list of projects currently under contract.
8. A bid bond will be required for this project see document 00410 in the RFP for details.
