STAFF REPORT

DATE: October 9, 2024
TO: Board of Directors
FROM: Jon Newman, Fire Marshal
SUBJECT: Intent to Annex Territory to Community Facilities District No. 2022-1 and Adopting Map of the Area Proposed to be Annexed Thereto through Resolution 24-46 (Annexation 8)

BACKGROUND

The Mello-Roos Community Facilities Act of 1982 (Government Code Section 53311 and following) (“Act”) contains the statutory framework pursuant to which the San Miguel Consolidated Fire Protection District (“District”) or any other local agency may form a Community Facilities District (“CFD”) for the purpose of financing the provision of certain authorized public services or maintenance. A CFD may finance services or maintenance through the levy of special taxes within the geographic boundaries of the CFD.

The District previously adopted its Local Goals and Policies relating to the formation of CFDs. On July 14, 2021, the District adopted its Policy No. 9.7, requiring new development to offset the negative fiscal impacts of such development on the District, including through forming or annexing into an existing CFD. The District retained NBS Government Finance Group (“NSB”) as its special tax consultant to study the negative fiscal impact of new development on the provision of services by the District. NBS prepared a Fiscal Impact Analysis setting forth their results, which has been reviewed by the Board in prior meetings.

On September 14, 2022, the District received their first petition for a CFD and on October 12, 2022, approved Ordinance 2022-2 Levying Special Taxes Within San Miguel Consolidated Fire Protection District.

DISCUSSION

The District has received a petition from SALAMA INVESTMENTS, LLC (the “Owner”), relating to Parcel 484-091-42-00 located off of North First Street. The Owner is the owner of Assessor Parcel Numbers 484-091-42-00 (“Property”), requesting the annexation into the Community Facilities District No. 2022-1 (“CFD 2022-1”), encompassing the Property, to finance the following public services:

- a) Fire protection and suppression services, and ambulance and paramedic services; and
- b) The administrative and incidental expenses to be incurred by the District, which include the direct and indirect expenses incurred in carrying out its duties with respect to CFD 2022-1 (including, but not limited to, the levy and collection of the special taxes), including the fees and expenses of attorneys, any fees of the County of San Diego related to CFD 2022-1 or the collection of special taxes, an allocable share of the salaries of the District staff directly related thereto, and a proportionate amount of the District’s general administrative overhead related thereto, any amounts paid by the District from its general fund with respect to CFD 2022-1 or the services authorized to be financed by CFD 2022-1, and expenses incurred by the District in undertaking action to pursue payment of special taxes which are delinquent, and all other costs and expenses of the District related to CFD 2022-1.

A public hearing on the annexation of territory into CFD No. 2022-1 shall be held at 5:30 p.m. on November 13, 2024, or as soon thereafter as the Board may consider the matter, in the Board Room, located at 2850 Via Orange Way, Spring Valley, CA 91978.

This project will be a commercial and multi-family property.

FISCAL IMPACT

None, as the costs for the formation of CFD 2022-1 are paid through a deposit provided by the Developer and ongoing administrative costs are paid for through the levy of special taxes within CFD 2022-1.

“Taxable Property” means all Parcels within the boundary of CFD 2022-1 that are not Exempt Property, or exempt from the Special Tax pursuant to the Act.

“Undeveloped Property” means all Parcels of Taxable Property that are not Developed Property.

“Unit” means any individual single family detached or attached home, townhome, condominium, apartment, mobile home or other residential dwelling unit, including each separate living area within a half-plex, duplex, triplex, fourplex, or other residential structure. An Accessory Dwelling Unit that shares a Parcel with a Unit of Single Family Property shall not be considered a separate Unit for purposes of calculating the Special Tax.

“Welfare Exempt Property” means all Parcels within the boundaries of CFD 2022-1 that have been granted a welfare exemption pursuant to subdivision (g) of Section 214 of the Revenue and Taxation Code by the County.

II. DETERMINATION OF TAXABLE PARCELS

On or about July 1 of each Fiscal Year, the CFD Administrator shall determine the valid Assessor’s Parcel Numbers for all Taxable Property within CFD 2022-1. If any Assessor’s Parcel Numbers are no longer valid, the CFD Administrator shall determine the new Assessor’s Parcel Number or Numbers in effect for the then-current Fiscal Year. To the extent a Parcel or

Parcels of Taxable Property are subdivided, consolidated or otherwise reconfigured, the Maximum Special Tax shall be assigned to the new Assessor's Parcels pursuant to Section III. The CFD Administrator shall also determine: (i) the Tax Zone within which each Parcel is located; (ii) which Parcels are Developed Property and Undeveloped Property; (iii) the number of Units, Building Square Footage, or Acreage each Parcel contains; (iv) the property type, i.e. Single Family Property, etc; and (iv) the Annual Special Tax Requirement for the Fiscal Year.

III. SPECIAL TAX - METHOD OF APPORTIONMENT

All Taxable Property shall be subject to a Special Tax defined as follows.

The Special Tax shall be levied each Fiscal Year by the CFD Administrator. The Annual Special Tax Requirement shall be apportioned to each Parcel within CFD 2022-1 by the method shown below.

- First. Determine the Annual Special Tax Requirement.
- Second. Levy the Special Tax on each Parcel of Developed Property, Proportionately, up to the Maximum Special Tax described in the table below to satisfy the Annual Special Tax Requirement.

Under no circumstances will the Special Tax on any Assessor's Parcel of Developed Property be increased by more than 10% as a consequence of delinquency or default by the owner of any other Assessor's Parcel within CFD 2022-1.

**TABLE 1

Industrial Property	173.80	1,000 Feet of Building Square Footage

**On each July 1, commencing on July 1, 2022, the Maximum Special Tax Rate for each Tax Zone shall be increased by the Tax Escalation Factor.*

***Rates per the Fiscal Impact Analysis dated June 2021 and include the addition of applicable CFD administration costs.*

A different Maximum Special Tax rate may be identified in Tax Zones added to CFD 2022-1 as a result of future annexations.

In some instances, an Assessor's Parcel of Developed Property may be Mixed-Use Property. The Maximum Special Tax levied on an Assessor's Parcel shall be the sum of the Maximum

Special Tax for all Units and Building Square Feet of each property type on that Assessor's Parcel.

IV. FORMULA FOR PREPAYMENT OF SPECIAL TAX OBLIGATIONS

The Special Tax may not be prepaid.

V. EXEMPTIONS

Notwithstanding any other provision of this Rate and Method of Apportionment of Special Tax, no Special Tax shall be levied on Agricultural Property, Property Owner Association Property or Public Property, except as otherwise provided in Sections 53317.3 and 53317.5 of the Act. Welfare Exempt Property shall be exempt from the Special Tax in each Fiscal Year the property qualifies as Welfare Exempt Property.

VI. INTERPRETATION OF RATE AND METHOD OF APPORTIONMENT

The District reserves the right to make minor administrative and technical changes to this document that do not materially affect the rate and method of apportioning the Special Tax. In addition, the interpretation and application of any section of this document shall be at the District's discretion. Interpretations may be made by the Board of Directors by ordinance or resolution for purposes of clarifying any vagueness or ambiguity in this Rate and Method of Apportionment of Special Tax.

VII. MANNER AND DURATION OF SPECIAL TAX

The Special Tax shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided that the District may directly bill the Special Tax, may collect the Special Tax at a different time or in a different manner if needed to meet the financial obligations of CFD 2022-1, and may collect delinquent Special Taxes through foreclosure or other available methods.

A Special Tax shall continue to be levied and collected within CFD 2022-1, as needed to fund the Annual Special Tax Requirement, in perpetuity.

VIII. APPEAL OF SPECIAL TAX LEVY

Any property owner may file a written appeal of the Special Tax with the CFD Administrator claiming that the amount or application of the Special Tax is not correct. The appeal must be filed not later than one calendar year after having paid the Special Tax that is disputed, and the appellant must be current in all payments of the Special Tax. In addition, during the term of the appeal process, all Special Tax levied must be paid on or before the payment date established when the levy was made.

The appeal must specify the reasons why the appellant claims the Special Tax is in error. The CFD Administrator shall review the appeal, meet with the appellant if the CFD Administrator deems necessary, and advise the appellant of its determination.

If the property owner disagrees with the CFD Administrator's decision relative to the appeal, the owner may then file a written appeal with the Board of Directors whose subsequent decision shall be final and binding on all interested parties. If the decision of the CFD Administrator or subsequent decision by the Board of Directors requires the Special Tax to be modified or changed in favor of the property owner, the CFD Administrator shall determine if sufficient Special Tax revenue is available to make a cash refund. If a cash refund cannot be made, then an adjustment shall be made to credit future Special Taxes.

This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to filing any legal action by such owner.
